

NOVIA IS SIMPLY THE BEST

"If you need to reduce your non labor expenses, Novia Strategies is the consulting firm to engage. What distinguishes Novia from other consulting firms is their ability to work with end users, particularly clinicians, to implement real and lasting savings. For us, that meant over \$10M in annual recurring savings."

Dan Keteri
VP Patient Care Services
PeaceHealth Southwest Medical Center
Vancouver, WA

HOSPITAL CONSULTING SERVICES

Novia Strategies provides consulting services that address the key needs of hospitals today – cost reduction without compromising quality, and quality improvement without compromising cost, and often resulting in reduced costs. Novia Strategies is an evidence-based consulting firm that offers clients project teams of expert consultants who produce results in cost reduction, quality improvement and patient, physician and staff satisfaction.
